Event Managers Club VIT Chennai

Core Team Member

November 2019 - Present (1 year 2 months)

Chennai, Tamil Nadu

EMC or Event Manager's Club is a committee that plans executes and manages all the major events that take place in the college, including the National Celebrations and Fests

I've been a part of the Event Manager's Club since Nov 2019 and learned a lot since then, from introduction to the basic working of the Excel sheet to make a whole Fest running with all the posters, teasers, etc. its been a tremendous experience till now.

Currently, I'm a part of the Logistics, Creative, Operation, and Photography team.

Developer Student Clubs  
Member in Creative Department  
October 2020 - Present (3 months)

VIT Dramatics Club  
Content Editor  
September 2019 - Present (1 year 4 months)  
Chennai, Tamil Nadu, India

Well, I started with the role of 55-year-old man, so due to a lot of experience, apart from acting, I do video and image editing for the club.

Fraternity of Young Innovators  
Graphic Designer  
February 2020 - Present (11 months)  
Chennai, Tamil Nadu

Currently, I'm a part of two major teams, Public Outreach Leads and Creative.

Vibrance vit  
Management Committee Member  
December 2019 - February 2020 (3 months)  
Chennai

It was an amazing experience, starting from the late-night meetings to the whole day running through the events.

In the span of these 3 months, I've learned so much including Event Management, Photoshop, Microsoft Office, Time Management, Teamwork, etc. And all this was possible because of the appreciating seniors and friendly batch mates.

I highly recommend everyone to at least become a committee member for once in any of the college fest.

I was fortunate enough to get this achievement in my very first year.

TechnoVIT Chennai  
Marketing Coordinator  
August 2019 - October 2019 (3 months)  
Chennai

This being my very first exposure towards College Fests, I'm glad to be a part connectivittee as a Marketing Co-ordinator.

## Education

Vellore Institute of Technology

Bachelor of Technology - BTech, Electronics and Computer  
Engineering · (2019 - 2023)
